

University Assistant (Post-Doc)

40 hours/week | limited

TU Wien is Austria's largest institution of research and higher education in the fields of technology and natural sciences. With over 26,000 students and more than 4000 scientists, research, teaching and learning dedicated to the advancement of science and technology have been conducted here for more than 200 years, guided by the motto "Technology for People". As a driver of innovation, TU Wien fosters close collaboration with business and industry and contributes to the prosperity of society.

The **Institute of Statistics and Mathematical Methods in Economics**, at TU Wien, is offering a position as university assistant (Post-doc) for 4 years for 40 hours/week. Expected start: March 2022

Tasks:

- Research and project activity, publication of research articles
- Independent teaching, cooperation in teaching, guidance of students, evaluations and exams
- Assistance/collaboration in organization of scientific events
- Assistance in administrative tasks of the research division and of the faculty

Your profile:

- PhD Degree in Mathematics or Applied Mathematics (preferably in Variational Analysis, Optimization, Operational Research or related)
- In-depth knowledge of the research area, publications, presentations
- Teaching experience and motivation for independent research and working with students
- Mastering of the English language, very good communicative skills, and team competences
- Organisational and analytical skills as well as a structured way of working
- Skills in numerical analysis and programming will be highly appreciated
- Experience in national/international research cooperation, project management and interdisciplinary work will be appreciated

We offer:

- Continuing personal and professional education and flexible working hours
- Central location of workplace with very good accessibility (U1/U2/U4 Karlsplatz)
- A creative environment in one of the most liveable cities in the world
- Additional benefits for employees can be found at the following link: [Fringe-Benefit Catalogue of TU Wien](#)

TU Wien is committed to increasing the proportion of women in particular in leadership positions. Female applicants are explicitly encouraged to apply. Preference will be given to women when equally qualified, unless reasons specific to

a male applicant tilt the balance in his favour.

People with special needs are equally encouraged to apply. In case of any questions, please contact the confidant for disabled persons at the university, Mr. Gerhard Neustätter.

Entry level salary is determined by the pay grade B1 of the Austrian collective agreement for university staff. This is a minimum of currently EUR 3,945.90/month gross, 14 times/year for 40 hours/week. Relevant working experiences may increase the monthly income.

**We look forward to receiving your application until 20.01.2022.
The application must contain the following application documents:**

- **Curriculum Vitae** (it should contain complete information about studies, teaching and research activities, publications, participation in events, talks, etc)
- **Letter of motivation**
- **Copy of the PhD Thesis** (if the PhD Thesis is not written in English, French, German or Spanish, then join a 2-pages Abstract in English and related publications)
- **Copy of (up to) three research articles**
- At least **two recommendation letters (maximum 3)**. You can upload them under the category: **+Add more documents**
